

Attention all seniors of Band, Choir and Drama students!

The THS Performing Arts Boosters will be awarding \$500.00 scholarships for each of our performing groups. If you are a senior and are involved in Marching Band, Show Choir, Concert Band, Concert Choir or Drama, be sure to apply for one of these scholarships!

The basic criteria necessary for this scholarship are:

- a minimum of a 2.5 GPA
 - Official transcripts NOT needed; guidance will provide this information.
- good character (attendance and lack of referrals)
- community service (in or out of school setting)
- leadership roles (if any; in or out of school setting)

Your application is an essay about yourself

- ❖ include your name at the top of your essay
- ❖ type of scholarship you are applying for
 - show choir, concert choir, marching band, concert band, drama
- ❖ specific examples about your community service
- ❖ any leadership roles
- ❖ how music or drama has played a role in your life

If you are planning to apply for more than one Performing Arts unit scholarship, you can submit the same basic essay but you may want to give specific examples for each category.

All essays/applications are due BY March 26th in a sealed envelope given to the guidance office. The envelope should be addressed: THSPAB Scholarship Application

All applications will be judged by music and drama related adults from our community (not a member of THSPAB). Names will not appear on your application while being judged. Only your essay will be seen.
